DIVINE ENCOUNTER INTERNATIONAL CONVOCATION

An Annual Gathering Of The Entire CTMI And DIC Family Worldwide

What Is Divine Encounter International Convocation?

Inaugurated in the summer of 2010, Divine Encounter International Convocation (DEIC) is the annual holy convocation of the entire CTMI and DIC family worldwide.
Leviticus 23:1-2

Divine Encounter International Convocation strategically takes place during the first week of July, at the beginning of the 2nd half of each year. A time when we pause to give God thanks for His faithfulness towards us during the first half of the year, and also for greater things He'll do for the rest of the year.

In this five-day power-packed event all attendees are positioned to experience life-changing encounters with God through the various anointed word and worship sessions, as well as specialized workshops that impart practical biblical principles for excelling in all areas of life.

DEIC is much more than an ordinary conference, but it is a legendary solemn assembly of God's people for the purpose of ministering to Him and partaking of the divine feasts which He has made for peoples of all nations. The choice feasts which He blesses us with every year includes feasts of His salvation, healing, deliverance, and possessing all our possessions in Christ! *Isaiah 25:6-9; Obadiah 1:17*

Without question, the scriptures and history itself reveals that no one can successfully live a life of dominion, fulfill their divine destiny, and make a lasting impact in the world without having a tangible, true life-changing encounter with the living God!

Therefore, He has ordained DEIC to be a divine mountain upon which His people meet together to encounter His glory in the word and worship, and they receive of His

fullness grace for grace! *Leviticus 9:5-6; John 1:14,16*
